1. Context

AEMO is conducting the process (Consolidation Process) in respect of the proposal (Consolidation Proposal) to consolidate relevant versions of the Retail Electricity Market Procedures (Consolidating Procedures) which have a shared effective date of 1 November 2023.

AEMO provides this template to assist stakeholders to submit written responses in respect of the Consolidation Proposal.

2. Stakeholder Comments

AEMO Question	Stakeholder Response
1) Has AEMO consolidated the procedures effective 1 November 2023 correctly? If no, please provide details.	Yes
2) Do you have any further questions or comments in relation to the consolidation?	EnergyAustalia agrees with the consolidation proposal which is to consolidate relevant versions of the Retail Electricity Procedures that will include the; • The addition of a “Last Consumer Change Date” field into MSATS to support Consumer Data Right (CDR). • The referencing of jurisdictional regulation in respect of the Customer Threshold Codes. • The change to allow the MDP to receive the Cancelled and Rejected notifications for CR 5050 and CR 5051. • The changes to allow the LNSP to receive the Rejected notification for CR 5050 and CR 5051.

AEMO Question	Stakeholder Response
	• The change to require the current FRMP to update the Last Consumer Change Date field. • The amendments to the Test Result field examples in the Standing Data for MSATS document and the replacement of the values list with the relevant website link.
